Membership in the Battery is a Family membership. Please list those members of your family who plan to participate in Battery activities, and their relationship to you.

Battery activities and events often involve strenuous exercise as well as possible exposure to heat, cold, rain, dust, smoke, and rough terrain. If you, or participating members of your family, have any medical conditions that may be affected by these or other conditions (for example; Heart conditions, Asthma, Diabetes, Back problems, Allergic reactions to insect sting/bites), be prepared to deal medically with them.

All applicants and members must recognize that shooting firearms, including cannon, and the equipment associated with them are inherently dangerous, involving the potential for serious injury and death, and that others may be using firearms or cannon, nearby at the same time. Members must also recognize that they are solely responsible for their own safety while they are using the Battery's equipment and, while the Third Michigan Battery, Inc. has enacted rules and regulations promoting the safe use of it's property and equipment, these rules and regulations will not assure their personal safety.

Please list the Name, Address, and telephone number of a person to contact in case of an Emergency:

(Please read and sign the second page)

Battery members shall assume all risks associated with using the Battery's property or equipment; whether as the result of their own acts or those of others, unless it is a result of gross negligence. As a condition of membership, Battery members must voluntarily relinquish all claims which they may have now or in the future against the Battery, its officers, nco's, directors, or members, arising out of their use of the Battery's property or equipment.

The Third Michigan Battery, Inc. is a voluntary private organization. It has an absolute right to enact and enforce rules governing the use of its equipment and property, and it is every member's responsibility to know and follow these rules. Members who do not comply with the Battery's rules, or do not use the Battery's equipment in a safe manner, may have their privileges to use the Battery's property and equipment suspended or terminated by the Third Michigan Battery's Board of Directors.

I have read the Third Michigan Battery, Inc.'s By-Laws and Rules, and as a Member, agree to comply with them at all events at which the Battery is present.

I attest that I have not been convicted of a felony, or other crime involving moral turpitude.
